1917 - Balfour Declaration

Wikipedia Page

Here is the authoritative Wikipedia page that describes the Balfour Declaration:

https://en.wikipedia.org/wiki/Balfour_Declaration

Einat Wilf's Perspective

The gist of Einat's perspective is as follows:

- The Balfour Declaration was a tentative promise / declaration of intent
- It was the follow up by Zionists that made the difference, and the declaration itself was almost meaningless on its own
- The British Empire actually started reneging on promises, and they did so at the worst timing possible for Jews
